

Why Let's Talk Spanish?

We offer an age appropriate curriculum for children as young as 2 years old.

We use traditional and non-traditional teaching methods to customize a curriculum that best fits the needs of our students.

We understand the importance of establishing relationships with our students, parents, and schools. So, we do our best to assign a professional and experienced teacher to you for the allotted period.

We utilize online technology, take home assignments, newsletters, and other forms of communication to help keep students, parents and schools informed. It gives children the opportunity to continue learning at home.

We offer one-on-one and group private lessons to make learning more convenient.

We provide a quality program at an affordable cost.

We come to you! Yes, our teachers do travel.

Who Are We?

We are a premier educational company that specializes in teaching the Spanish language to children. We have serviced private schools and daycares in the Metro Atlanta area for more than 10 years. We are committed to educational excellence and we believe learning should be FUN.
